
Thus says the LORD:

In Ramah is heard the sound of moaning, of bitter weeping! Rachel mourns her children, she refuses to be consoled because her children are no more. (Jeremiah 31:15)

Words from Jesus

- My people need to stop killing so many innocent lives.
- Each soul is beautiful and has a mission.
- My chosen sons tell my people that life is the most precious gift there is.
- Tell my people that the body dies but that the soul lives on forever.

Truly children are a gift from the Lord;
the fruit of the womb is a reward" (Psalm 127:3)

“Life is truly the most precious gift
and each soul has a destination”

May 26th 2003 5:38pm

Words from Jesus

- Too many today are not obeying the fifth commandment.
- So many today are living their ways instead of mine.
- Too many today tell me how many children instead of being open to the life that I bring forth.
- Life is truly the most precious gift and each soul has a destination.
- And when man chooses not to be open to life the soul does not have the ability to come and serve me.
- Please dear people say yes to my plan, say yes to my creation.

- Every soul is beautiful and has a purpose

Words from Jesus

- This world is living in such sin and the greatest sin is abortion, because it does not allow the soul to fulfill its mission and it is man's desire to control the life that I bring forth.
 - My people only I will determine who should live and who should die.
 - Many because of their sinful ways are causing their souls to burn in eternal fire.
-

Listen to me, you islands; hear this, you distant nations:
Before I was born the Lord called me; (Isaiah 49:1)

" my little ones who are waiting to fulfill their mission."

July 26th 2003 12:59pm

Words from Jesus

- It is only I, my people who will bring forth life and take it away.
- Man is trying to control nature and not following my plan.
- There are so many of my little ones who are waiting to fulfill their mission.
- My people be open to life, be open to my plan, for when that life is rejected so is the mission.

Words from Jesus

- My innocent ones are being persecuted and killed everyday.
- My people this world shows no respect for my creation.
- As I told you before only I bring forth life and take it away and those who chose to step ahead of me will see there day of punishment.

Just as you know not how the breath of life
fashions the human frame in the mother's womb,
So you know not the work of God, which he is
accomplishing in the universe. (Ecclesiastes 11:5)

"This world is trying to alter my creation and my plan."

August 18th 2003 4:35pm

Words from Jesus

- This world is trying to alter my creation and my plan and for many they do not realize where their soul is headed.
- So many of these doctors who kill my innocent ones do not realize where they will spend eternity if they do not change their ways.
- So many today are trying to copy the life I bring forth.

Now the word of the Lord came to me saying:
Before I formed you in the womb I knew you, before
you were born, I consecrated you; a prophet to the
nations I appointed you. Jeremiah 1:5

Words from Jesus

- Many of my people will be mourning the loss of their loved ones yet who mourns the lost of my millions of innocent ones who are killed everyday.
- There is no respect for life, no respect for the body.
- So many leaders today are leading my people down the wrong path, that is why you must turn to my chosen sons, for I continue to guide each one of them.
- Many mothers today are allowing these doctors to kill their own children yet they do not realize
- they too will see their punishment.
- So many today are trying to copy the life I bring forth.

Words from Jesus

- My people of America, you state you are a country of opportunity and freedom, then why do you not give my little innocent ones the opportunity to come into this world, and the freedom to live and fulfill their mission?
- You are a country that needs to examine its morals, you are a country that will see much devastation if you do not change your sinful ways.
- My faithful must stand up for life.

For you created my inmost being; you knit me together
in my mother's womb. (Psalm 139:13)

Words from Jesus

- My people of America you have been given great gifts and yet you are the leader of killing my innocent ones.
- My people you must choose leaders that are willing to stand up for life, that will be the voice of the unspoken.
- You must choose a leader that will allow my innocent ones the freedom to fulfill their mission.

And Jesus replied, "You shall not kill;

Words from Jesus

- My people you are seeing illness killing many of my young innocent children yet there are millions of my little innocent souls that are killed before they are ever permitted to fulfill their true mission, yet who mourns the loss of these lives?
- You are a culture that promotes death and you do not realize how each life, each soul is unique and created for a purpose, a mission to come to know and serve me.
- Each time a life is not permitted to fulfill their mission is like leaving out or taking away a piece of the puzzle.
- This world will try and fill you with doubt and confusion, and will tell you that your means of abortion, your means of birth control are all acceptable to me.
- My people, any way that you try and choose to stop from allowing life to come forth is abortion in my eyes.
- You must be open to life, open to my plan, my creation, for as I have told you, you have tried to become the dictator of your own destination.
- I created man and woman so that they may engage together through the union of marriage in order for life to come forth.
- Do not fear for I love each and every one of you, for you are each my creation, my plan.

- It is not for man to permit life, but My will to bring forth life and take it away.
- To many have tried to alter My creation, My plan but you do not realize how the world cannot continue down this evil path.
- My people, you do not realize how each time a soul is rejected is taking away a piece of My plan.
- Abortion, My people is the greatest sin, it is not only taking away the life of that unborn child but you are trying to step ahead of Me.
- And you are not your creator I Am; you are not your final judge I Am.
- My people, stand up for life for each time you do, you stand up for me for I am the giver of life.
- Be open to life for each time you permit the world to decide, you are not permitting My true mission for you.
- You do not realize how many souls you could have brought into this world.

Words from Jesus

- My people, your drugs, your forms of birth control, your pornography, your abortions, your greed, your money, your union between man and man and woman with woman, your engaging together outside of marriage and your killing one another and having no regard for that life.
- My people you are living in such grave sin.
- You are not obeying My laws, My Commandments and now this world will be served its punishment.

They immolated their sons and daughters by fire, practiced fortune-telling and divination, and sold themselves into evil doing in the LORD'S sight,(2 Kings 17:17)

"images being displayed to My young people"

April 8th 2004 9:32 PM

Words from Jesus

- My people, when Herod was given word of My birth that the Messiah had been born he ordered the killing of My little innocent ones.
- So is true today with these abortion doctors who are much like Herod.
- And just as Herod saw each and every soul that he ordered put to death so will each one of these doctors see the souls of My children they have killed through abortion.
- My people, each life is perfection of My creation, each life has a mission.
- Parents are responsible for their children from the moment I formed that child in his mother's womb until the moment I call that child home to eternal life.
- Mothers, model your Heavenly Mother for My Mother did not hand Me over to the evil hands of Herod nor should you hand your unborn child over to the hands of these evil doctors.

- My Mother knew I was here to fulfill a mission and if I had not fulfilled My mission you would never see the light of My Kingdom.
- Mothers and Fathers, you do not know the mission I have set for your child, My child.
- Fathers must be guiding and protecting their families.
- My people, be on guard for just as these evil doctors seek the unborn so will the antichrist seek to destroy you.

Then Herod, when he saw that he had been tricked by the wise men, was in a furious rage, and he sent and killed all the male children in Bethlehem and in all that region who were two years old or under, according to the time which he had ascertained from the wise men.
(Mathew 2:16)

"My Mother did not hand Me over to the evil hands of Herod nor should you hand your unborn child over to the hands of these evil doctors"

After reading the excerpts, I would suggest reading the messages in there entirely, which was how Our Lord Jesus shared it. There maybe a kind of "sticker shock" when reading the messages, but with an open heart, feel Our Lords mercy and love come through, for it is interwoven throughout all the words, he just wants to save everyone of us and is trying to get our attention.
