Words from Jesus

- My people, great fire will soon fall upon this earth and so many of you will not be prepared to meet Me.
- My people, too many of you have taken comfort in your worldly things; but I am telling you now to simplify, simplify, simplify for all man needs to survive has been given to you since the beginning of creation.
- My people, listen to the Gospel message and live it, for it is you, My faithful ones who will be rewarded in the Kingdom.

Antiphon: My most gentle Jesus, how many times have I fallen again and offend thee.
I come to Thee sinful and sorrowful for my sins and ask for pardon of Thee.

Words from Jesus

- I am very pleased with all who come to Me and repent, repent of your sins for I see all that is in your heart.
- My people, I too fell when I carried the Cross, but I had to get up and continue the long and narrow journey and I did this for you, I did this for the salvation of all mankind.
- My people, go and repent for it is all part of your cross and you must get up and carry your cross.
- My people, do not fall into the same trap as some of your sinful brothers and sisters for it is your willingness to frequently cleanse your soul that is pleasing to Me.

If you keep my commandments, you will abide in my love (John 15:10)

- And as you become more drawn into this moment of truth you must meditate on My Passion and remember My Agony in the Garden.

Antiphon: My Jesus, laden with sorrows, I weep for the offenses I have committed against Thee, because of the displeasure they have caused Thee.

"Armor yourselves daily with prayer"

February 12th 2004 8:25PM

Words From Jesus

- Each new day you are being tested to see whether the temptations of the world will make you fall away from living the way of the cross.
- For it is better for you to live a life of simplicity than to fall into the comforts of the world and lose your soul to the fires of hell.
- Because the ways of the world strip you from living the way of the cross, and the way of the cross is the only way to the Kingdom.
- I lived a life of simple-ness and did not judge anyone whose belongings were few, for I knew that their eyes and hearts belonged to their Father in heaven.
- My people, simplify your lives, for it is by simplifying your lives that you will keep your eyes more focused on your true reward; heaven.
- Rather live a life of simplicity and keep your eyes focused on the cross.
- Meditate on My passion so you are more aware of My sacrifice for you, so you can live the way your Creator intended you to.

Affectionate plea from Jesus to prepare our souls

Antiphon: My innocent Jesus, by the merits of the torment Thou has felt, help me to strip myself of all affection to things of the earth, so I may place all my love in Thee

March 13th 2004 3:35pm

Words From Jesus

- I will protect you and guide you in times of temptation, but you must repent.
- You must trust in Me for only I can bring you that peace.

April 7th 2004 12:00 PM

Words from Jesus

- My people, I have spoken to you of refraining from judging another in their areas of weakness. When I walked this Earth I spoke to My people that the one who is without sin shall be the one to cast the first stone.
- Therefore who ever amongst you now is sinless shall be the first to judge another, for there is not one of you without sin.
- My people, do not waste your time judging others rather learn from their areas of weakness for each one of you can learn from another.
- Each day you should be working on perfecting your own strengths and weaknesses rather than judging others on theirs.

Antiphon: My Jesus, My heart is ready, O God, my heart is ready, nail my heart to Thy feet, that it may ever remain there to love Thee, forever and ever.

After reading the excerpts, I would suggest reading the messages in there entirely, the way Our Lord Jesus shared it. There maybe a kind of "sticker shock" when reading the messages, but with an open heart, feel Our Lords mercy and love come through, for it is interwoven throughout all the words, he just wants to save everyone of us and is trying to get our attention.
