Who's trying to destroy the family?

- For your mission as a parent is to teach your children the way to heaven.
- My people look to Saint Joseph and My heavenly mother for they are true models of the family.
- For if you are not turning to Me and trusting in My love you will be unable to be a good parent.

Behold, sons are a gift from the Lord;
the fruit of the womb is a reward." (Psalm 127:3)

Words from Jesus

- So many people are engaging together in ways that are not pleasing to Me.
- My people, women are not to engage with woman and man is not to engage with man for I cannot bring forth life.
- My people, there are so many young innocent souls that are being raised in homes with two woman or two men.
- These children are being deceived by bad fruit and in time will only fall into the same trap.
- My people from man I formed woman and the two are to become one with Me.
- It is only by the engaging of man and woman through the union of marriage that life can come forth.
- So many of My people are trying to alter the life I bring forth, but My people you are not to step ahead of Me.
- My people you must reserve your bodies for marriage for marriage is the giving of ones self to their spouse.
- So many today do not reserve their bodies for their spouse.

Who created the family?

Who's trying to destroy the family?

- You must not use your body in a way that will tempt another's soul into grave sin for it is by reserving your body that you are allowing your soul to stay clean and pure.
- My people wake up for you have begun to see the signs, and the time is coming when you will see your soul the way I see it.

For man did not come from woman, but woman from man;
neither was man created for woman, but woman for man.

Words from Jesus

- My people as you look around in the world today there are many of My young children who are falling into mortal sin.
- Many of them do not realize how their willingness to give away their bodies out side of the union of marriage is a mortal sin.
- They do not realize that by their actions they are not only placing their soul in danger but also the person they are engaging with because they are tempting that soul into grave sin by their own selfish desires.
- Too many of My young people do not understand the commandments.
- Parents need to take time to teach their children the commandments.
- My people do you not love your children enough to teach them My laws, to teach them the way of the cross to ensure that your child's soul goes to heaven.
- Your children are a gift from Me, a perfection of My creation, created in My own image and likeness.
- Just as you ensure that you take care of your body so it is healthy and clean you must also do the same for your soul and you must teach your children the same thing.

Who created the family?

Who's trying to destroy the family?

Did he not make one being, with flesh and spirit:
and what does that one require but godly offspring?"

Words from Jesus

- It is those of you, My people, that are of this world that I am warning, it is those of you who choose to engage together outside of marriage and then proclaim that it is out of love that I am warning.
- It is those of you who choose to destroy the union of man and woman and choose man to man, woman to woman in marriage and then endanger the souls of My little innocent ones into thinking this is acceptable to Me that I am warning.
- Your lack of morals is causing many souls to burn in the fires of hell.
- I did not give you these commandments so you can pick and choose, or try and dictate their true meaning, rather I give you them so you can live them.
- I did not give you these sacraments so you choose to sin more, I give you these sacraments so you can become more aware of your sinfulness and come closer to Me for I give many graces to all who come and spend quiet time with Me.
- My people take heed to these words for as I have told you the scriptures are about to unfold and many of these gifts that you have built your life around will be washed away.

Are you married? Do not seek a divorce.

Words from Jesus

- My people grab hold of your children and pray for them.
- For your duty on earth is to teach your children to come to know and serve Me and to teach them My commandments.
- For it is while your children are on earth that you may know where they are but as soon as they die you do not know the destination of their soul and the greatest attack is on the family.
- The family is My creation My plan and Satan wants to destroy all that is of Me.
- Mothers and Fathers mold your children and show them the way to Me through prayer, for prayer is their greatest strength.
- My people these times you are in will test your faith.
- It is a time to test your true love and devotion to Me.

"You have heard that it was said,

`You shall not commit adultery.'

Words from Jesus

- When you have people engaging together outside of marriage and saying this is love, you are seeing the face of evil, because if it is out of love, like the love I have for you, then you would not want to endanger that person's soul.
- My people these are My Commandments, My laws and they are to be lived out with the greatest intention at heart.
- They are not to be picked and chosen for you will fall at times, just as I fell when I carried the cross, but if your heart desires Heaven then you will get up and continue your journey.
- Satan is in the lustful eye that wanders and the man who is engaging with other men and women who are engaging with other women.
- My people, the time has come for I will not continue to allow mankind to destroy My creation, My plan.

February 28th 2004 3:36PM

Words from Jesus

- I will not allow marriages to continue to be destroyed and the very core of the family to be diminished.
- My people, look to My most holy family, the union between a man and a woman.
- It is I who created the union of marriage in order for life to come forth.
- Man does not engage with man nor woman with woman for this is not a marriage in My eyes but rather an evil act of lust that is a true sign that the devil seeks to destroy My creation, My plan.
- My people, you have seen the destruction of My Commandments when there is no regard for life.

Words from Jesus

- My people, when you try and become the dictator of your own destination you are forgetting that it is I who formed you and it is I who breathed life into you and no one steps ahead of Me.
- Mothers, women, it is your responsibility to be open to life for you are a mother from the moment I formed that child in your womb.
- You should model My Mother who trusted to the will of My Father.
- Fathers, men, say yes to being the leaders of your family.
- Look to Saint Joseph for he was provider, protector and guided My most Holy Family.
- My people, be a model for marriage and trust in Me and My will for you.
- I will guide you but you must first learn to trust.
- The image of marriage is rapidly being destroyed.
- My young people are seeing this portrayal of what the world defines as a marriage between a man and a man and woman to woman and the survival of humanity is being diminished.

Fathers, do not provoke your children to anger:
but bring them up in the training and instruction
of the Lord. (Ephesians 6:4)

"Fathers you must teach your children responsibility."

After reading the excerpts, I would suggest reading the messages in there entirely, the way Our Lord Jesus shared it. There maybe a kind of "sticker shock" when reading the messages, but with an open heart, feel Our Lords mercy and love come through, for it is interwoven throughout all the words, he just wants to save everyone of us and is trying to get our attention.
